TULSA NORTH-EASTERN OKLAHOMA SWE SCHOLARSHIP

A scholarship for first year students studying toward a career in engineering

Application Deadline: March 1st, 2020

Scholarship Background and Requirement:

Tulsa SWE awards 1 to 2 scholarships, with a value of \$500, each year to young women who meet the below requirements. This scholarship provides financial support to students who want to pursue a major in engineering. In order to be qualified for the scholarship, the student must meet all the requirements below:

- 1) Currently in their Junior or Senior year of high school
- 2) Highly involved in STEM or extra curriculum activities
- 3) Plan on going to an ABET Credited Engineering School
- 4) Will join SWE Collegiate section when starting college. The scholarship will add \$20 to cover the membership fee for the first year.
- 5) Write an Essay with a minimum of 300 words and a maximum of 500 words answering **both** of the questions below:
 - A. Explain why you want to study engineering
 - B. Explain why you are the best candidate for this scholarship

If you are selected as a winner of this scholarship, you will be congratulated via email and mail with instruction how to receive your scholarship by May, 2020.

For more details of the scholarship program, please visit <http://tulsaneo.swe.org/scholarship-and-awards-program.html>

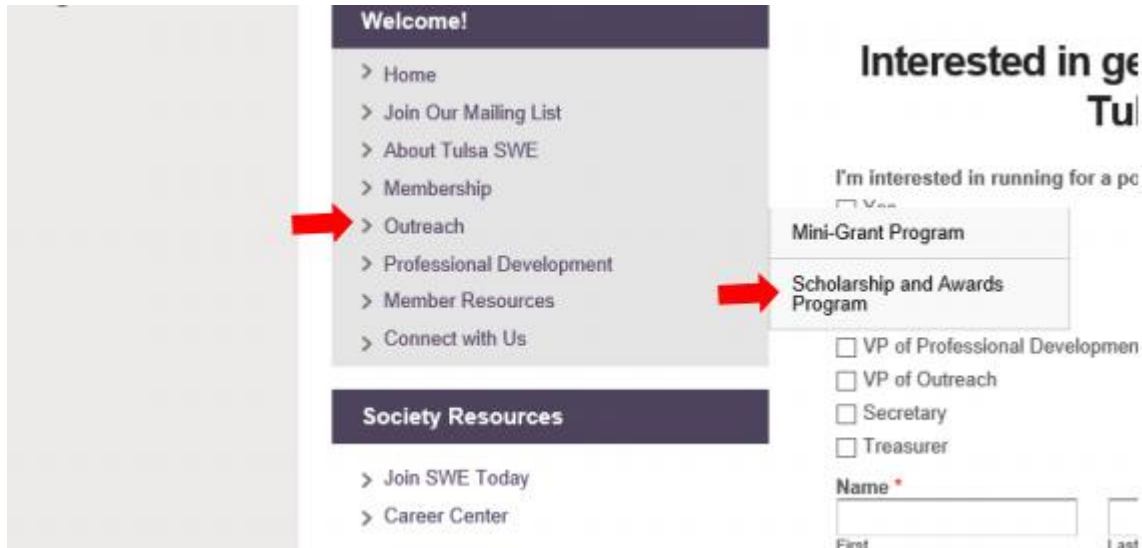

Application Instruction:

Before completing this application online, read the instructions carefully (on next page). Complete all items requested in the online application. If you are unable to provide the information requested, please send an email to the SWE scholarship chair. The applicant assumes responsibility for ensuring that all requested information is completed online via tulsaneo.swe.org by **March 1st, 2020**. If you have any questions or trouble during the application process, please contact SWE scholarship chair via email tulsa.swe.scholarship@gmail.com

SWE Scholarship Online Application Instruction

Step 1: Access Tulsa SWE website via address: <http://tulsaneoswe.org/>

Step 2: Choose “Outreach” in the Menu Tab and then click “Scholarship and Awards Program”

Step 3: Scholarship and Awards Program page open up. Read through this for information of the program

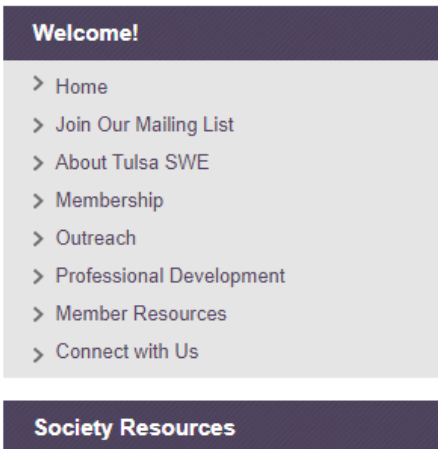

Tulsa NEO Certificates of Merit and Scholarship Program

The Certificate of Merit (COM) is an achievement award presented to female students completing their junior year of high school. The recipients are chosen by the faculty of the math and science departments and administration of their schools on the basis of their achievements in math and science, their character, and their desire for a future career in engineering, math or science. The award consists of a certificate that can be recorded on college and scholarship applications as well as a copy of the book *Is There an Engineer Inside You?* **Nomination form is now available online.**

In addition to COM, the Tulsa NEO SWE will select 1-2 students per year to award \$500 scholarship through an application. The goal of this scholarship is to provide financial support to qualified candidates who want to major engineering. To be qualified for the scholarship, candidates must meet **ALL** of the below requirements:

- Highly involved in STEM or extra curriculum activities
- Plan on going to an ABET Credited Engineering School
- Join SWE Collegiate section when starting college - the scholarship will include an additional \$20 to cover the membership fee for the first year
- Write an Essay with a minimum of 300 words and a maximum of 500 words answering both of the topic questions below:
 1. Explain why you want to study engineering
 2. Explain why you are the best candidate for this scholarship

Candidates must complete the application by **March 1, 2020** through the link below.
